Dr. Mork’s Schedule - Summer 2005

I will be around much of this summer, working on research and writing papers. Days I’ll be gone or occupied:

May 16 - June 1 Vacation, May 17th research meeting, at Xcel Energy, Mpls.

June 18-23 Technical Session Chair, Int’l Conference on Power System Transients, Montreal

June 24-30 DOE research project work at MTU, hosting Prof. Hans Kr. Høidalen, NTNU.

July 1-8 Vacation

July 12-16 Working as Invited Research Associate, Los Alamos National Laboratory.

I’ll be checking e-mail periodically while away, bamork@mtu.edu. If it is very urgent, try my cell phone at (906) 370-3170 or leave a note with our department staff in EERC 121.
