

MichiganTech **Electrical & Computer Engineering**

Michigan Technological University's Department of Electrical and Computer Engineering invites applications for multiple faculty positions at the Assistant, Associate, and Full Professor levels starting in the fall semester 2010. Applicants in all areas of expertise in electrical and computer engineering will be considered, although particular interest areas include:

- Optics, photonics, and electromagnetics
- Remote sensing, imaging, and image processing
- Electronic circuits, devices, and materials

Review of applications will begin immediately, and continue until the positions are filled. Interested individuals must submit a cover letter, curriculum vitae, statement of teaching and research interests, and contact information for three references in PDF format to ecesearch@mtu.edu. Applications may also be submitted by mail to Michigan Technological University, ECE Dept. – Attn: Search Committee, 1400 Townsend Drive, Houghton, MI 49931-1295.

Michigan Technological University is located in Houghton, MI, offering a small-town environment with outstanding four season recreational activities and world-class cultural events in a beautiful setting. The University enrolls over 7,000 students, with approximately 3,700 in the College of Engineering. The Department of Electrical and Computer Engineering presently has 25 tenured/tenure-track faculty members, over 600 undergraduates, 150 graduate students, and 5 members of the technical staff. The Department maintains outstanding laboratory facilities for both research and instruction. Please visit www.ece.mtu.edu for more information.

In addition to the present search in the Department of Electrical and Computer Engineering, a two-year university-wide search to fill up to ten positions in each of the areas "Next-Generation Energy Systems" and "Health: Basic Sciences, Technologies, and Medical Informatics" is underway. Qualified candidates are encouraged to send a separate application, following the "How to Apply" guidelines at www.mtu.edu/sfhi.

Michigan Tech is an ADVANCE institution, one of a limited number of universities in receipt of NSF funds in support of our commitment to increase diversity and the participation and advancement of women in STEM.

Michigan Technological University is an Equal Opportunity Educational Institution/Equal Opportunity Employer.
